Postmodernism is a broad movement that developed in the mid- to late 20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era. ( In this context, "modern" is not used in the sense of "contemporary", but merely as a name ...

How did this come about? The greater part of Irenaeus's largest work, A Treatise Against the Heresies, is devoted to the refutation of second-century Gnostic writers, whose philosophical and religious speculations may strike the modern reader as bizarre beyond consideration. Yet, Irenaeus took those ...
