The sporty Aermacchi Ala d'Oro (Gold Wing) featured a four-stroke overhead-valve single with horizontal cylinder and four-speed transmission, with the engine suspended from a spine frame. It looked like a good fit: overhead valve four-strokes were something H-D dealers were familiar with - no fancy overhead cams or ring-ding oil smoke haze.

Aermacchi Harley-Davidson 350 Sprint - Classic American

During engine run the damage would be considerable. Before placing the rotor onto the engine, please make sure that its magnets have not collected any metal objects such as small screws, nuts and washers. That equally would lead to severe damage. If you have access to the Internet, best view those instructions online.
