Animal rights is the idea in which some, or all, non-human animals are entitled to the possession of their own lives and that their most basic interests—such as the need to avoid suffering—should be afforded the same consideration as similar interests of human beings.. Its advocates oppose the assignment of moral value and fundamental protections on the basis of species membership alone ...

NOTE: This was originally supposed to be a guest post for Kris Gunnars's™ Authority Nutrition website, but in true Denise Minger fashion, the word count got out of control and we decided to dock it here instead. Voila! Just pretend you're reading this on a blog far, far away, and that, for once in my life, I managed to be brief.

FYI I updated this article on Jan. 15, 2015. The topic of character thoughts has come up repeatedly for me in the last couple of weeks, and I promised to address punctuation for inner dialogue.. Inner dialogue is simply the speech of a character to himself. He hears it and the reader hears it, but other characters have no idea what's going on in his head.
