

**bushido the soul of pdf**

Bushido: The Soul of Japan is a book written by Inazo Nitobe exploring the way of the samurai. It was published in 1900.

**Bushido: The Soul of Japan - Wikipedia**

Bushidō (bushido, "the way of warriors") is a Japanese collective term for the many codes of honour and ideals that dictated the samurai way of life, loosely analogous to the concept of chivalry in Europe.. The "way" originates from the samurai moral values, most commonly stressing some combination of sincerity, frugality, loyalty, martial arts mastery, and honour until death.
