Digital success isn't all about technology: The 2015 Digital Business Global Executive Study and Research Project by MIT Sloan Management Review and Deloitte identifies strategy as the key driver in the digital arena. Companies that avoid risk-taking are unlikely to thrive and likely to lose talent, as employees across all age groups want to work for businesses committed to digital progress.

Strategy, not Technology, Drives Digital Transformation

1. Introduction. Over two decades ago, the ideology of strategic management accounting (SMA) was introduced into the literature as a seminal development with Simmonds and Bromwich as lead academics.
