Below we describe the inside details of building Galileo's telescopes. Buried among these details, some hidden in Galileo's professionalism, are the secrets generally not taught by teachers of science, teachers who may have been blinded by the brilliance of the discoveries of science, missing the intrinsic treasure and especially the rigors and truthfulness of science.

SOCIAL INTERACTION Chapter 4 Objectives The main aims of this chapter are to: • Explain what is meant by social interaction. • Describe the social mechanisms that are used by people when communicating and collaborating. • Discuss how social media have changed the ways in which we keep in touch, make contact, and manage our social and working lives.

Chapter 4

This is all super interesting, am curious where this will go! Potential confound: the survey did not just test the susceptibility to the illusion, but also the willingness to (1) believe that something unexpected and interesting could happen, and (2) to try a bit harder and a bit longer to perceive it.
