If we do not find ways to reduce the growing inequality in education outcomes "between the rich and the poor" schools will no longer be the great equalizer we want them to be. Has the academic achievement gap between students from high-income and low-income families changed in the last few decades ...

The bottom line. Once you've chosen a problem, as we covered in the previous article, the next step is to work out how best to contribute to solving it.; Consider indirect approaches such as research, advocacy and earning to give, as well as direct work. You might be able to find a path that offers more influence, or that's a better fit for you.
