In political theory and particularly Marxism, class consciousness is the set of beliefs that a person holds regarding their social class or economic rank in society, the structure of their class, and their class interests. It is an awareness that is key to sparking a revolution that would, "create a dictatorship of the proletariat, transforming it from a wage-earning, property-less mass into ...

### **Class consciousness - Wikipedia**

A social class is a set of subjectively defined concepts in the social sciences and political theory centered on models of social stratification in which people are grouped into a set of hierarchical social categories, the most common being the upper, middle and lower classes. "Class" is a subject of analysis for sociologists, political scientists, anthropologists and social historians.
