

class nation and identity pdf

A nation is a stable community of people, formed on the basis of a common language, territory, economic life, ethnicity, or psychological make-up manifested in a common culture. A nation is distinct from a people, and is more abstract, and more overtly political, than an ethnic group. It is a cultural-political community that has become conscious of its autonomy, unity, and particular interests.

Nation - Wikipedia

Social class in the United States is a controversial issue, having many competing definitions, models, and even disagreements over its very existence. Many Americans believe that in the country there are just three classes: the American rich; the American middle class; the American poor. More complex models that have been proposed describe as many as a dozen class levels; while still others ...
