

### **comparative political culture in pdf**

Political culture is defined by the International Encyclopedia of the Social Sciences as the "set of attitudes, beliefs and sentiments that give order and meaning to a political process and which provide the underlying assumptions and rules that govern behavior in the political system". It encompasses both the political ideals and operating norms of a polity.

### **Political culture - Wikipedia**

Comparative politics is a field in political science, characterized by an empirical approach based on the comparative method. In other words, comparative politics is the study of the domestic politics, political institutions, and conflicts of countries.
