Publishing is the dissemination of literature, music, or information—the activity of making information available to the general public. In some cases, authors may be their own publishers, meaning originators and developers of content also provide media to deliver and display the content for the same. Also, the word publisher can refer to the individual who leads a publishing company or an ...

A style guide (or manual of style) is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization, or field.(It is often called a style sheet, though that term has other meanings.). A style guide establishes and enforces style to improve communication.To do that, it ensures consistency within a document and across multiple ...
