Transcendentalism is a philosophical movement that developed in the late 1820s and 1830s in the eastern United States. It arose as a reaction to protest against the general state of intellectualism and spirituality at the time. The doctrine of the Unitarian church as taught at Harvard Divinity School was of particular interest.. Transcendentalism emerged from "English and German Romanticism ...

In the media industry. The media industry has begun using the term individuation to denote new printing and online technologies that permit mass customization of the contents of a newspaper, a magazine, a broadcast program, or a website so that its contents match each individual user's unique interests. This differs from the traditional mass-media practice of producing the same contents for ...

1. Harold Wilensky put it baldly and succinctly: "Economic growth is the ultimate cause of welfare state development." Harold Wilensky, *The Welfare State and Equality* (Berkeley: University of California Press, 1975), p. 24. 2. Thus, Flora and Alber find no correlation between levels of industrialization and social insurance programs of 12 European nations between the 1880s and the 1920s.
