Revitalising Health and Safety in Construction The Health and Safety Executive hopes that publication of this document will stimulate consideration and discussion of the issues raised. Any responses to the document would be welcome and should be sent to:

### **Revitalising Health and Safety in Construction**

Occupational safety and health (OSH), also commonly referred to as occupational health and safety (OHS), occupational health, or workplace health and safety (WHS), is a multidisciplinary field concerned with the safety, health, and welfare of people at work. These terms also refer to the goals of this field, so their use in the sense of this article was originally an abbreviation of ...
