In popular music, a cover version, cover song, or simply cover, is a new performance or recording by someone other than the original artist or composer of a previously recorded, commercially released song.. Before the onset of rock 'n' roll in the 1950s, songs were published and several records of a song might be brought out by singers of the day, each giving it their individual treatment.

A cover band (or covers band), is a band that plays songs recorded by someone else, sometimes mimicking the original as perfectly as possible, and sometimes re-interpreting or changing the original. These remade songs are known as cover songs. New or unknown bands often find the format marketable for smaller venues, such as pubs, clubs, or parks. The bands also perform at private events, for ...
