Reporting Roger Philipp, CPA - CPA Review Materials

The general consensus for many years among review providers is that the total amount of study time for the CPA exam varies by student, but tends to be around 450 hours. You didn't misread that. I find it interesting that a provider claims time savings of approximately the total amount of time a typical student may study for the CPA exam.

the CPA exam on my first try. It's not because I'm super intelligent or anything. I just figured out a way to study that actually works. After buying a review course, I was a little lost on how to actually use it. The weird thing is the review companies don't tell you how to actually study. They just say, "here's the info. Now go pass the
