Remember, what is the strategy of the enemy concerning migrants? Throw in a few families and the people will resist (we saw this in Romania recently when the entire township of Ardu rose up against any hint of a plan to bring a tiny number of refugees there). However, flood the nation with hundreds of thousands in a kind of shotgun approach, and the people will give up.

Over the past two years, state legislators across the country have launched an unprecedented series of initiatives aimed at lowering labor standards, weakening unions, and eroding workplace protections for both union and non-union workers. This policy agenda undercuts the ability of low- and middle-wage workers, both union and non-union, to earn a decent wage.
