Abstract. This paper first describes the growing pains and challenges of the positive psychology (PP) movement and identifies the four pillars of the good life as meaning, virtue, resilience, and well-being, which are all shaped by culture.

Positive Psychology 2.0: Towards a Balanced Interactive Model

Social work is an academic discipline and profession that concerns itself with individuals, families, groups and communities in an effort to enhance social functioning and overall well-being. Social functioning refers to the way in which people perform their social roles, and the structural institutions that are provided to sustain them. Social work applies social sciences, such as sociology ...
