HomeLink® System Programming for Genie ... Pressing the HomeLink button again will cause the garage door to move. NOTE: If you cannot find your program button on the power head, see the user manual for your opener or visit the Genie website for additional assistance. CODE 7

### **HomeLink System Programming for Genie - Genie Garage Door**

the door opener by continuously changing the access code each time the remote control is used. The door opener responds to each new code only once. An access code copied from a working system and tried again will not control the door opener. Lighted Wall Console\* Operates door opener from inside garage. (Refer to section 3) and Car2U® compatible.
