When Nothing But the Truth was first published, I had trouble getting a reaction from the people it was written for: kids. Teachers were taking the book and passing it around among themselves, insisting that their principals, assistant principals, and superintendents read it.

nothing remained of his childhood except a series of bright-lit tableaux occurring against no background and mostly unintelligible. The Ministry of Truthâ€™Minitrue, in Newspeak [New-speak was the official language of Oceania. For an account of its structure and etymology see Appendix.]â€™was star-tlingly different from any other object in sight.

Nothing is a tiny book. It's shorter than most and more narrow. The story takes up slightly more than 200 pages, and those pages contain a lot of white space. Still, it is probably the most disturbing book I've ever read. And almost not even in a good way. Don't get me wrong, Nothing is a wonderfully written book.
