

**power politics and people pdf**

In social science and politics, power is the capacity of an individual to influence the conduct (behaviour) of others. The term "authority" is often used for power that is perceived as legitimate by the social structure. Power can be seen as evil or unjust, this sort of primitive exercise of power is historically endemic to humans, however as social beings the same concept is seen as good and ...

Politics in Georgia involve a parliamentary representative democratic republic with a multi-party system. The President of Georgia is the ceremonial head of state and the Prime Minister of Georgia is the head of government. The President and the Government wield executive power. Legislative power is vested in both the Government and the unicameral Parliament of Georgia.
