

sales and marketing 101 pdf

Why Marketing 101? The business marketing world is not without its charlatans promising the moon if youâ€™d only put your trust in their secret techniques/program/software for success in marketing and sales.. Small business owners have better things to doâ€™like producing and delivering valuable products and services for their customersâ€™than sort out the truth from the trash.

Copywriting 101: How to Craft Compelling Copy

Viral marketing or viral advertising is a business strategy that uses existing social networks to promote a product. Its name refers to how consumers spread information about a product with other people in their social networks, much in the same way that a virus spreads from one person to another. It can be delivered by word of mouth or enhanced by the network effects of the Internet and ...
