Problem Solving Problem Solving is the Capacity and the Ability to Evaluate Information and to Predict Future Outcomes. The Ability to Seek out Logical Solutions to Problems, Calmly and Systematically, without making things worse. Decision Making - Cause and Effect. "There are no Problems, only Solutions" Every Problem can be solved, you just have to learn how to solve it.

The Kerr metric or Kerr geometry describes the geometry of empty spacetime around a rotating uncharged axially-symmetric black hole with a quasispherical event horizon. The Kerr metric is an exact solution of the Einstein field equations of general relativity; these equations are highly non-linear, which makes exact solutions very difficult to find.

General relativity (GR, also known as the general theory of relativity or GTR) is the geometric theory of gravitation published by Albert Einstein in 1915 and the current description of gravitation in modern physics. General relativity generalizes special relativity and Newton's law of universal gravitation, providing a unified description of gravity as a geometric property of space and time ...

Big Data: A Twenty-First Century Arms Race - Free download as PDF File (.pdf), Text File (.txt) or read online for free. We are living in a world awash in data. Accelerated interconnectivity, driven by the proliferation of internet-connected devices, has led to an explosion of dataâ€”big data. A race is now underway to develop new technologies and implement innovative methods that can handle ...
