TRAVELING EDUCATION - Somerset County

defining learning, the terms education, learning, knowledge, and educative outcomes are used interchangeably in this arti-cle. The principles of experiential learning and transforma-tive learning may provide a viable connection between travel and education. Experiential learning provides one model to explain how people learn by traveling.

The Educational Benefits of Travel Experiences

"Travel is the best form of education because it gives you the opportunity to visit the places and schools that marked an inspirational change in your country's history. The picture above is from the Monroe School in Topeka, Kansas that was recognized for the Brown vs. Board of Education Supreme Court case.

17 images that prove travel is the best education
