The clinical pharmacy practice provided by pharmacists aims to improve the rational use of medication and enhance the quality of life of patients. Although clinical pharmacy in the USA has been developing for almost 60 years, it began in China only in 2005. Despite this, rapid development in clinical pharmacy has been achieved under the support of China's Ministry of Health.

Writing a Fictional Narrative (Short Story) Setting Setting involves time, place, weather, and surroundings, all helping to create a specific mood or atmosphere. To reveal these elements, writers depend on descriptive writing, calling on all the senses to convey an image to the reader. Good description will involve as many of the 5 senses as possible.
