Introduction This paperback text is an intermediate text and is simply written. As the author himself states, –the book aims to speak to that growing number of interested persons who want to understand more about the study of ethics, ethical issues and the ways ethicists approach them– (Preston, 2007).

Dr. Noel Preston: Understanding Ethics, 3rd edition

Understanding Ethics introduces the frameworks of moral philosophy to analyse contemporary moral issues and perennial human dilemmas. While the early chapters of ethical theory remain substantially the same, the rest of the book is expanded with updated references, new case studies and an improved index.
