consultant use and the quality and cost-effectiveness of consultant work. In particular, the department has not been proactive in identifying what is the most appropriate level of consultant use, particularly from the perspective of what is most cost-effective. While consultants generally provide a valuable service to VDOT,

Use of Consultants by VDOT - JLARC

amounts paid for consultant services in the five years reviewed were for consulting (advisory) engagements. Aside from the perception issue, the most important reason for ensuring that potential engagements are correctly classified is to ensure that City staff use the appropriate procurement method to acquire a consultant.
