The function of the Visiting Geoscientist Program SIG is to provide college and university students worldwide a balanced picture of geosciences in the petroleum, energy minerals, and environmental industries; provide information about careers in the geosciences; present a positive image of a geoscience professional; and encourage geoscience career options for young scientists of high caliber.

Career

Prince was well known in the entertainment industry for having a vast body of works that have never seen the light of day. It has been said that his vault contains multiple unreleased albums and over 50 fully produced music videos that have never been released, along with albums and other media. The following is a list, in rough chronological order, of the most prominent of these unreleased works.
