The Salem witch trials were a series of hearings and prosecutions of people accused of witchcraft in colonial Massachusetts between February 1692 and May 1693. More than 200 people were accused, nineteen of whom were found guilty and executed by hanging (fourteen women and five men). One other man, Giles Corey, was pressed to death for refusing to plead, and at least five people died in jail.

Witchcraft or witchery broadly means the practice of and belief in magical skills and abilities exercised by solitary practitioners and groups. Witchcraft is a broad term that varies culturally and societally, and thus can be difficult to define with precision, and cross-cultural assumptions about the meaning or significance of the term should be applied with caution.

My husband used to beat me. That was how I ended up out there that evening behind our house, just past the bushes, through the tall grass, in front of the pipelines. Our small house was the last in the village, practically in the forest itself. So nobody ever saw or heard him beating me. Going out ...
