snapshot. The photographer's way of seeing is reflected in his choice of subject. The painter's way of seeing is reconstituted by the marks he makes on the canvas or paper. Yet, although every image embodies a way of seeing, our perception or appreciation of an image depends also upon our own way of seeing.

1 John Berger, Ways of Seeing INTRODUCTION Published in 1972 and based on a BBC television programme of the same name, this is a very influential text on art criticism. Although the book and programme make the same case, they do so in slightly different ways, and the programme is well worth watching.
