Western Civilization in Biological Perspective: Patterns

The Foundations of Western Civilization I n this course of 48 lectures, we will explore the essential contours of the human experience in what has come to be called â€œWestern civilization,â€• from its humble beginnings in the ancient Near East to the dawn of the

The Foundations of Western Civilization - SnagFilms

Western academic definitions of civilization are secularized, placing more emphasis on economic and political forces than real biological forces that might run counter to egalitarian narratives. Those same biological forces unveil unique human characteristics particular to â€œCaucasoidâ€• people (specifically, the European sub-groups: Nordic, Alpine, Mediterranean, Atlantid, etc.).

The Evolutionary Trajectory of Western Civilization

It must be situated at the intersection between the history of Western Civilization and your life. It must be the answer to a question â€œ an historianâ€™s question.
