Wild Among Us: True Adventures Of A Female Wildlife

- The Future is Wild: A Natural History of the Future The Future is Wild is a very interesting book as it provides us with a peek into the planet earth 200 million years from now. However, the most fascinating aspect of this book is how the authors rely on the knowledge of the past to build the image of the future.

Wild Among Us : True Adventures of a Female Wildlife

Suzanne Gattis, Pacific Book Review Wild Among Us is a fascinating series of autobiographical stories. Her story telling pulls you into her perilous world, where you share the strange and sometimes dangerous

situations she navigates as she travels the highways and wilderness areas of North America.
